Title: Weekly update

Over the recent months we have been conducting visits around our site giving local members of the community a chance to see first-hand how a landfill operates.

To enable more people to have the same experience and to take a look behind the scenes at Walleys Quarry we created a 360 degree virtual tour. Please take a tour here www.walleysquarry.co.uk

Thank you for visiting our community engagement page. If you have any feedback, suggestions for future content, or queries please use the “Get In Touch” section of the website.

The next Walleys Quarry Weekly Update will be published here on 16 July 2021.
