

WALLEYS QUARRY

PRESS INFORMATION

Date: 3rd September 2021

Title: Weekly update

Yesterday (2nd September 2021) we submitted our appeal against Newcastle-under-Lyme Borough Council's Abatement Notice.

In our response, we raise a number of issues with the Notice, including the fact that we have been engaging extensively with the Council and the Environment Agency to address the issues raised.

We are all seeking the same outcome, but this process takes time and there are no easy fixes.

We will continue on our programme of works and await the Council's reply to our appeal.

CEO, Walleys Quarry Ltd
